The major roles identified for a high school website are:
- Guests
- Faculty
- Students
- Admin

```mermaid
graph LR
    A[Guest] --> B[As a guest, I want to obtain information]
    A --> C[As a guest, I want to create an account for admission]
    A --> D[As a guest, I want to send queries to the admin]
    B --> E[As a guest, I want to access FAQs]
    B --> F[As a guest, I want to post comments or answers to FAQs]
    D --> G[As a guest, I want to post questions in FAQ section]
```

- Guest
  - As a guest, I want to obtain information
    - As a guest, I want to access FAQs
    - As a guest, I want to post comments or answers to FAQs
  - As a guest, I want to create an account for admission
  - As a guest, I want to send queries to the admin
    - As a guest, I want to post questions in FAQ section

```
